

## Cooperation agreement to support Graduation project

To the Dean of the Faculty of Computer Science

After greetings,

Dr **Ahmed Fathallah** has cooperated with the Faculty of Computer Science in October Modern Sciences and Arts to support the graduation project submitted by the students Abdullah Magdy, and Abdullah Mohamed Under the supervision of Dr. Ayman Ezzat entitled: “**Abnormal behavior analysis for surveillance in poultry farms**”

And the consultant provided the necessary domain requirements and consultations during the software engineering process with their knowledge. Coordination and meetings have also been made between those in charge of the project and concerned parties.

Dr **Ahmed Fathallah** has previously worked with **Dakahlia Group**, one of Egypt's largest regional players in the poultry industry, and now runs his own farm.

\_\_ **Consultant** \_\_
